KASTRON SHIP

KASTRON SHIP
Russell Owen 2007

5

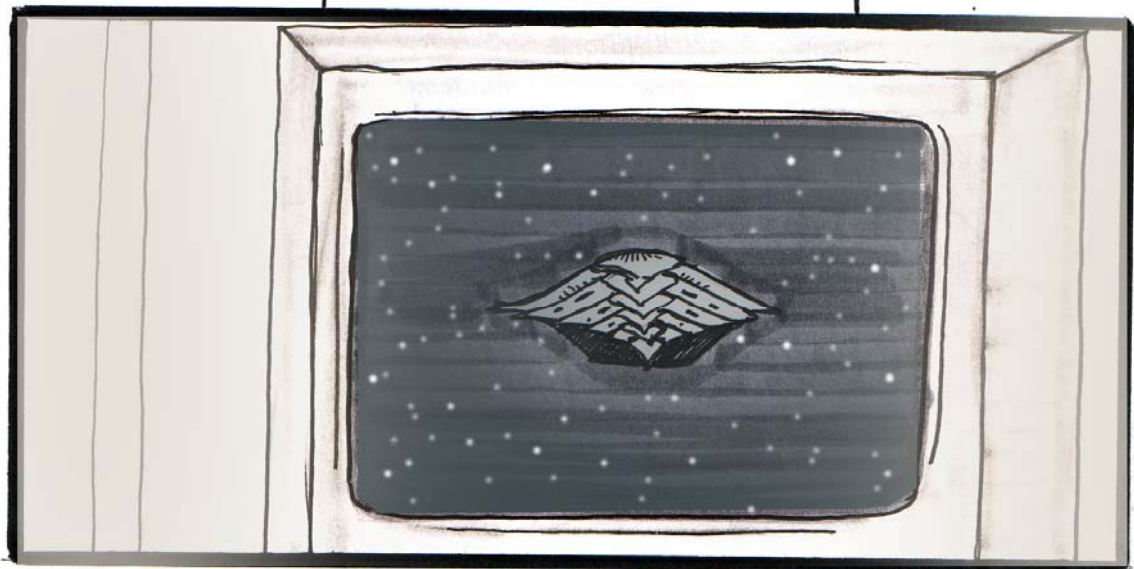

New shot of Kastron ship in more detail with maybe logo on the side. Ship more worn out.

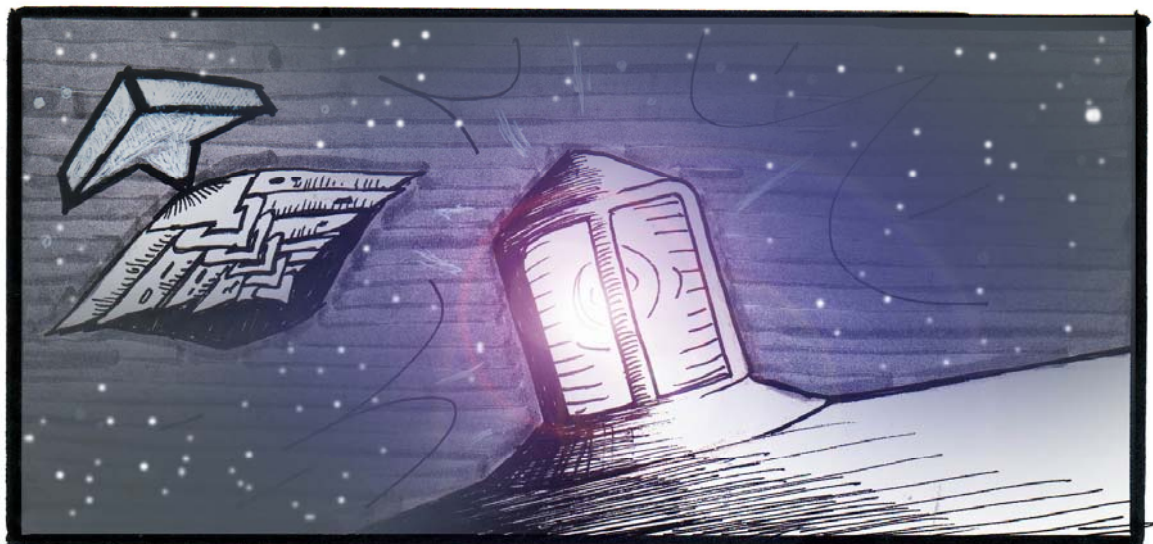

6

Kastron ship heads fast towards spinning Tardis in space.

Russell over
2007

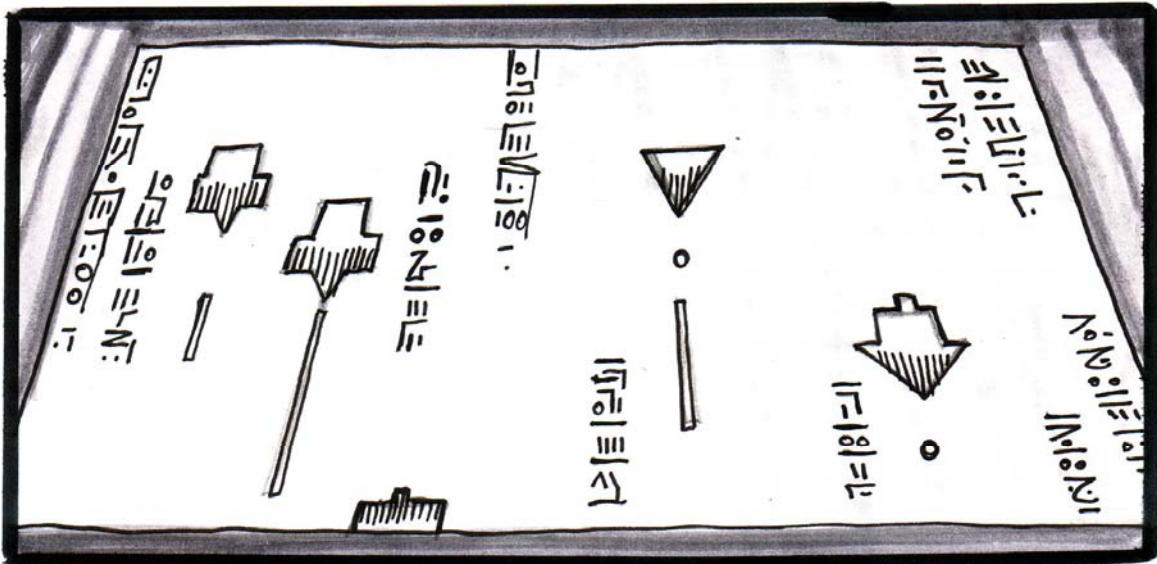

C/U of Kastron ship and then pull out to see that we are actually inside the Tardis, Ship in Scanner Screen/window (CGI)

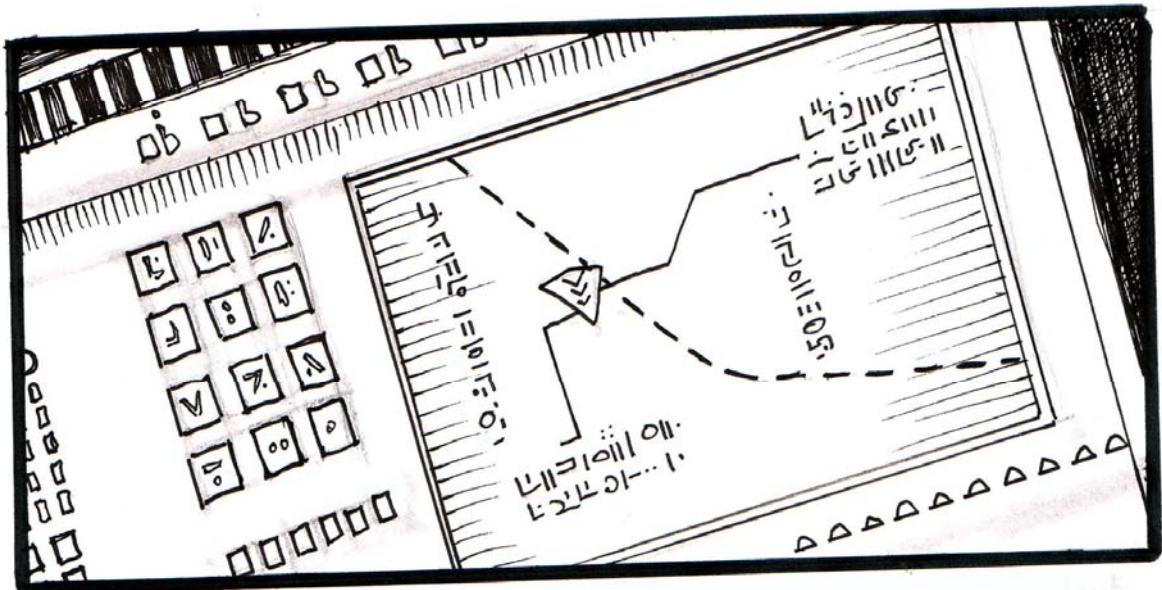

C/U of Tardis light with Kastron ship nearly on top of the Tardis.

Russell Owen
2007

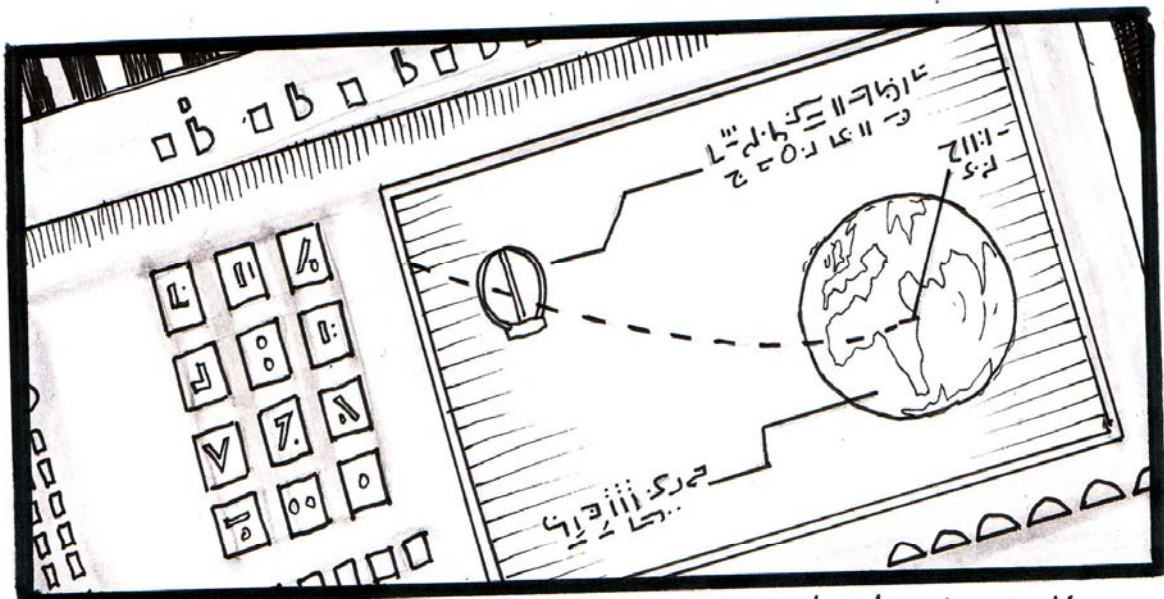

10

C/U of Panel displaying Space Invaders style game. Flashing yellow and pink

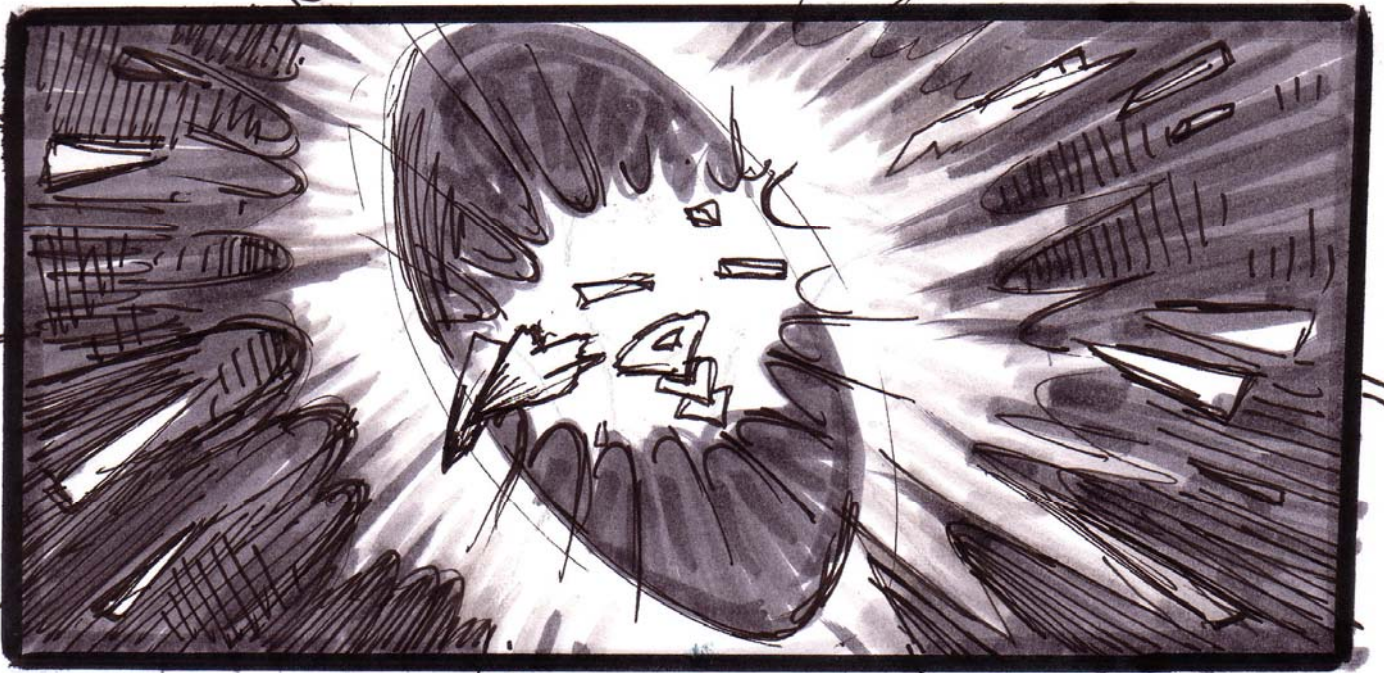

12

Another panel with buttons etc. A display shows the Kastron ship's course.

13

Same shot although now panel shows sphere heading to Earth.

Kashron ship explosion leading into end titles.
